

Login Screen

The login screen features a dark blue header with contact information: a phone icon and number '+953012 3654 896', an email icon and address 'support@colorlib.com', and a 'Login' button. Below the header is a teal navigation bar with 'EduSmart' on the left and 'HOME', 'ABOUT', and 'CONTACT' on the right. The main content area is white and contains a login form with a 'UserName' field (containing 'kushal'), a 'Password' field (with masked characters '.....'), a 'RememberMe' checkbox, and a teal 'Log in' button. A decorative horizontal bar with a rainbow gradient is positioned above and below the form fields.

Landing Page after Logging in

The landing page is titled 'Classroom Schedule' and features a dark sidebar with navigation options: 'User', 'Configuration', 'Sample Details', and 'Final Report'. The main content area has a search bar and notification icons at the top right. The main heading is 'Welcome to Classroom Scheduling'. Below this, it describes the 'Classroom scheduling system' and lists two points: '1. This system will automatically create the classroom time schedule for all classes on one go.' and '2. This system will be used by admin'. It then lists the parameters for creating a schedule: '1. Time Slots', '2. Time Slots Weekly Details', '3. Standard', '4. Section', '5. Teacher', '6. Subject', '7. Lab Details', '8. Priority Master', and '9. Subject Teacher Priority Mapping'. A paragraph explains that the system will check for boundary conditions and calculate the best possible time table. The page is decorated with a background image of various colored pencils. A footer at the bottom reads 'Copyright © Your Website 2019'.
